I'd like to take this opportunity to share with you our non profit organisation; Bear for an Angel, We provide no sew memory bear packages, bags of love and emotional support for bereaved families affected by baby and child loss.

I would like to ask if you would agree to putting our flyers & possibly our bags of love in your epu department, your bereavement suite, or anywhere it may reach bereaved families. I have enclosed one along with this letter and would appreciate any feedback.

Please feel free to visit the website, www.bearforanangel.com or facebook page www.facebook.com/bearforanangel
